

DOCOMO PACIFIC WiFi

DOCOMO PACIFIC Online customers can enjoy free WiFi service at designated areas throughout the island, with a speed of up to 3.0 Mbps download. Check your emails, search the web, or catch up on your social media pages at your convenience.

WiFi ACCOUNTS

To start accessing DOCOMO PACIFIC WiFi, you must first create your WiFi account as follows:

1. Go to the DOCOMO PACIFIC WiFi portal wifi.docomopacific.com and select the “Create an Account” button.
2. Verify your eligibility with your Online account number and Last Name. Your account number can be found on your billing statement.
3. Create a Username and Password of your choice.

CONNECT TO WiFi

To connect to the DOCOMO PACIFIC WiFi network, follow these simple steps:

1. Be sure the WiFi capability on the device is turned on and select the “DOCOMO PACIFIC WiFi” network.
2. If your Login device is already registered, you should now have access to DOCOMO PACIFIC WiFi. If you have not yet registered your device, you may do so by following the steps in the section, “ADD/DELETE LOGINS.”

ADD/DELETE LOGINS

You can add or delete Login devices by visiting wifi.docomopacific.com and following these simple steps:

To Add a Login Device:

1. Go to any DOCOMO PACIFIC WiFi area with the device you wish to add.
2. Turn on your WiFi capability and choose the “DOCOMO PACIFIC WiFi” network.
3. Open a web browser and the WiFi portal will appear on your screen. Sign-in with your WiFi account.
4. On the “My Devices” tab, click the “Add this Device” button.

5. Input a name of your choice for that device and click “Add Device”. Your device will then have WiFi access!

Your indicated Login devices will have access to DOCOMO PACIFIC WiFi until you delete them from your “My Devices” list.

To Delete a Login Device:

1. On the “My Devices” tab, just click the “Delete” button on the right side of the Login device you wish to remove.
